SELF-EVALUATION

I am an outgoing and positive girl with strong desire for knowledge as well as vigor for action. Also, my easygoing personality endowed me with good ability of social communication. During my four years in the college, I have abundant experience with student work, such as the League branch secretary. Moreover, I spend most of my time on study, I have passed CET4/6 and I have acquired basic knowledge of my major with good grades during my school time. With curiosity about new things, I have a deep love for IT industry. Also, I can be competent to the writing and English job. By the way, I am able to work under great pressure.
